CERTIFICATES

"Basics of programming." (JavaScript). (07/2015 – 08/2015)
https://geekbrains.ru/certificates/25387.en

SKILLS

JavaScript · Angular · TypeScript · HTML5 · CSS3 · SASS/SCSS · Flexbox · MediaQuery · Pug (Jade) · AngularJS · jQuery · Gulp · Webpack · Git · RESTful API · Jenkins · Docker · PWA

ACHIEVEMENTS

I enjoy teamwork using GIT and Trello/Jira/Easy Redmine. Experience with the Responsive/Adaptive design. Using modern building tools like Gulp/Grunt/Webpack. I like to use SCSS, create CSS animations, and I'm familiar with W3C specifications. I strive to implement complex tasks as simply as possible so that in the future it will be easy to support the project.
